(ONE NAME PER PAVER) Please follow these simple steps when creating your hand drawn image.

- Draw your image on the other side of this slip of paper. (the size is the same as the engraving area of a paver.)
- Draw your image using a good quality medium thickness black marker pen. (about 2mm thick.) Do not use a ballpoint pen!
- Make sure that you rub out any pencil lines as these will show up in the finished paver .
- Do not include computer generated or pasted pictures, the hand drawn image engraving process is set up to engrave hand drawn images only.
